### **“Best conference ever” in Blackpool!**

From 15-17 May we held our fifth national timebanking gathering at The Hilton, Blackpool. This was a great event, with chances for everyone to network, share skills and listen to some truly inspiring speakers.

*"Thank you so much for the conference, we had a fantastic time and you all worked really hard to make it a success. We have lots of great ideas and things to move forwards, and we can't wait for the next one!" - Alison and Suzanne, Paxton Green Time Bank*

Conference pictures and materials are available on the website:

### **CRB Road show**

If you've been hearing all about the new Vetting and Barring Scheme which is set to revolutionise the way we deal with access to time bankers criminal record history, then it's probably worth going along to one of their free road shows, available across the country from 3<sup>rd</sup> June - 15<sup>th</sup> July.
